

Have YOUR say about the future of YOUR village

Our Village is Growing – Help Shape its Future

How should our village grow and develop in the future? Would you like the village to develop plans to address important local issues? Whitchurch Parish Council has set up a Steering Group of Whitchurch volunteers to look into how we should plan for the future.

Please Complete the Village Questionnaire

Delivered with this Whitchurch News is a questionnaire for you to give your views on residential and business development and share ideas and concerns about village life.

Someone from the Steering Group will knock on your door to collect completed questionnaires and answer questions during the weekend of 11th & 12th May.

If we miss you, completed questionnaires can also be placed in collection boxes at the surgery, school, petrol station, Parrott Bros, White Swan, St John's Church and 4Beauty.

Or complete the questionnaire online at
