

The Steering Group is now discussing external funding options with planning experts and also beginning to develop the Neighbourhood and Community Led Plans. In the meantime, over the coming months we would like to share with you an overview of how you feel about Whitchurch life, your loves, your concerns and our progress on the plans.

This month the word map below shows what your biggest concerns are about life in Whitchurch. Word maps work by looking at all the comments made; the more times a phrase was completed online or on the paper questionnaire the larger the phrase appears.

We will shortly be contacting all residents who offered to help, please keep a look out for our email or letter.
